### Pony Parties for All Ages

**What's a Pony Party?** Pony parties are a wonderfully fun and unique way to celebrate a special day on Fina Vista Farm with some lovely horses and your friends or family. We welcome everyone, from 6 to 96 to come for an experience of learning, challenging, exploring and playing on horses. Not just any horse... the wonderfully smooth and unique Paso Fino Horse. Any rider level is welcome, from novice to advanced; we will adapt to you. Currently we have a weight limit of 230 lbs.

**What Happens:** (sessions run for 2 or 3 hours)

- You will begin by learning a bit about the horses and meeting your Paso Fino Horse for the day.
- We will then proceed to the ring for some introduction and instruction on how to ride the super smooth gait of the Paso Fino. You'll get a chance to ride the gaits, maybe try some gaited dressage or start on obstacles, depending on rider levels. We'll also play some super fun horseback soccer!
- Depending on ages/rider levels we add some *barn time* learning about horse handling, a *pony-themed craft or activity*, horseback time in the *Obstacle Course* in the farm's woods or a chance to relax and enjoy the beautiful scenery on a relaxing *trail ride* in the beautiful Oak Hills.

**What Should I Bring:** Please come dressed to ride and for the weather. All the riding is outside, so if there is the possibility of rain or cold, come prepared. Please wear long pants (if you don't have riding pants, jeans or leggings are fine), boots with approx. 1" heel, and bring your riding helmet if you have one (we have some if you don't). There is a place in the barn and outside to sit down and enjoy some party treats if you wish to bring those.

**Cost:** Need a minimum of 3 party people to book and currently we have a max of 8.

- 2 hour party (recommended for mostly beginners) is \$25 per person. Add gourmet cupcakes, drinks and popcorn for \$5/person.
